Sub: Amendment in Technical Specification of 11 kV Composite Insulators -reg

Sir/Madam,

This has reference to the Standard Bidding Document Vol -III Section-I Technical Specification of 11 kV Composite Insulators to be used under DDUGJY scheme. The clause no. 5 of technical specification has been amended which is as here under:

<table>
<thead>
<tr>
<th>Existing Provision in the Clause</th>
<th>Amended Clause</th>
</tr>
</thead>
<tbody>
<tr>
<td>The minimum shed diameter for long rod insulator should be 100 mm</td>
<td>The minimum shed diameter for long rod insulator should be between 75-100 mm</td>
</tr>
</tbody>
</table>

This is for kind information please.

Yours sincerely,

(G S Bhati)
General Manager (DDUGJY)
