Sir/ Madam,

Advisory letters have been issued to all the PIAs vide the above cited letters for carrying out the stage inspection by PIA as per the check list mentioned at Annexure-A of technical Specification (Refer Section-I Volume-III of Standard Bidding Document).

Indian Electrical & Electronics Manufacturer's Association (IEEMA) has requested vide their letter dated 18.09.2017 to accept processors/core cutters/laminations manufacturers for supplying Prime quality CRGO for manufacturing transformers, only in such cases where complete traceability reports are provided from the mill manufacturers.

In this connection, the following is clarified in respect of procurement of CRGO core for manufacturing of distribution transformers as mentioned under clause 6.1.2.2 Volume-III: Section-I of Technical specification (page no. 69) of Standard Bidding Document (SBD):

"CRGO supplied by Core cutter/ lamination manufacturers shall also be accepted for manufacturing of Distribution Transformers provided the Core cutter/ core laminator provides the complete traceability report for having procured the prime quality CRGO steel core material from authorized vendors as per the requirement of SBD for DDUGJY/IPDS".

All PIAs shall ensure compliance of above.

Thanking you,

Yours faithfully,

(A Veluchamy)
Addl. General Manager (Engg.)
