No. REC/CO/PMD/DDUGJY/SBD/ 878

Date: 26.11.2018

To  
All Project Implementing Agencies  
DISCOM(s)/SEB(s)/CPSU(s)/Power Department(s)

**Sub: DDUGJY - Stage Inspection of Power Transformers & Distribution Transformers**

Ref: REC CO letter no. 3085 dated 20.09.2017.

Sir/ Madam,

Kind reference is invited to Standard Bidding Documents (SBD) circulated for DDUGJY (new) projects. As per Technical Specifications (TS) stipulated in Section-I: Volume-III of SBD, stage inspections are to be carried out for Power Transformers & Distribution Transformers during manufacturing stage as per prescribed checklist. In this connection, it has come to our notice that stage inspections being carried out by Project Implementing Agencies are not as per checklist enclosed with TS.

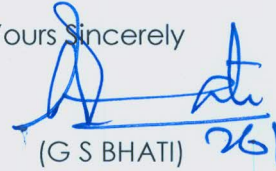

It has already been informed that Technical Specifications of SBD are to be strictly adhered for high value materials viz. Power Transformers, Distribution Transformers, Cables & Conductors under DDUGJY (new) scheme.

In view of the above, following is requested for compliance:

- Stage inspections may be carried out for Power Transformers & Distribution Transformers as per checklist enclosed with the technical specifications of SBD. The serial numbers of transformers are to be clearly mentioned in the stage inspection report.
- The signatures of inspectors may be attested during stage inspection on the inspected materials for clear demarcation of materials during final inspection.

It may please be noted that non-compliance to quality guidelines may result in restriction of project cost.

Yours Sincerely

  
(G S BHATI) 26/11/18

Executive Director (PMD)
