

REC/RGGVY/D.O./2014-15/864

Date: 16.07.2014

Dear Sirs,

**Sub: Recasting of DPRs for RGGVY projects sanctioned under 12<sup>th</sup> Plan**

As you are aware that 15 projects (to be implemented by MPPuKVVCL) under 12<sup>th</sup> plan have been sanctioned for the state of Madhya Pradesh. As per the terms & conditions of the sanction approved by the Monitoring Committee, the subsidy amount by the Government of India shall be restricted to 90% of the sanctioned cost. It may be mentioned that under no circumstances, there will be any upward revision in the subsidy component as approved by the Monitoring Committee.

Hence, in case, the L1 bidder cost is more than the sanctioned cost, then State Government may use their own resources or they can approach REC for additional loan and REC shall sanction the same as per its policies and guidelines.

Alternatively, in case the State Government is neither willing to utilize their own resources nor taking additional loan from REC, then DPRs may be recast by way of reducing the scope (Bill of Quantities) thereby restricting the award cost to the sanctioned cost considering the unit rates as per the L1 bidder's rates. While recasting the DPRs, the sanction parameters i.e. LT lines, HT lines and DTs may be reduced on proportionate basis.

As of today, out of 15 projects sanctioned only 14 DPRs have been recast and uploaded on the web-portal. Therefore, you are requested to direct the official concerned to upload balance 01 no. recast DPR on the RGGVY web portal and place award for all projects by 15<sup>th</sup> August 2014 positively. In case the award is not placed within the stipulated time, the same shall be kept in abeyance and complete proposal along with reasons of delay need to be submitted to Monitoring Committee for revalidating the sanction.

With kin regards,

Yours sincerely
