D.O. No. 44/55/2013-RE

नई दिल्ली - 110001

Dear Sir,

NEW DELHI - 110001

Please refer to this Ministry's letter of even number dated 09.09.2014 and meeting held with you on 15.10.2014 at 5.00 p.m. vide which it was brought to the kind notice of Railway Board that there are a number of villages which could not be electrified under RGGVY so far due to certain bottlenecks including requirements of Railways clearances at locations where the electricity line cross railway track.

2. The implementing agencies have already taken up the matter with the concerned Railway Divisions/Authorities for this purpose. The State-wise details of the same as intimated to us by States of Assam, Jharkhand & Bihar are enclosed as Annex-A, which may kindly be perused. Due to non-completion of 33 KV & 11 KV lines, electrification works in these States has been adversely affected.

3. I would, therefore, request you to kindly take a review at your level and issue necessary instructions to the concerned for necessary clearances **on priority basis**.

With regards,

Yours sincerely,

(B.N. Sharma)
