Sir,

Monitoring Committee of DeenDayal Upadhyaya Gram Jyoti Yojana (DDUGJY) has approved the operational guidelines of the scheme. Monitoring Committee has stipulated stringent timelines for implementation of projects under the scheme.

REC as Nodal Agency of DDUGJY has initiated the process for approval of the projects by the Monitoring Committee. As a first step, Guidelines states that the utilities have to prepare their need assessment document to identify their priorities in preparing their DPRs. With this objective it is requested that the officers from utilities may visit REC **during 19th to 24th Jan 2015** for a discussion on requirement of works to be taken up along with cost of works.

It is requested to kindly send team of concerned officers at REC with intimation regarding the convenient time schedule during the above period by 8th January 2015 to ensure better coordination.

You may contact the undersigned for any clarification in this regard.

Yours faithfully

(Dr. Dinesh Arora)
