**Sub: DDUGJY – Monthly schedule for Electrification of balance Un-electrified villages.**

Sir,

As you are kindly aware that electrification of all un-electrified villages in the country has been taken on Mission Mode by Govt. of India. As on 31<sup>st</sup> March 2015, there were 276 villages which were un-electrified in Manipur and out of these, 75 villages have been electrified during FY 2015-16 leaving a balance of 201 villages.

Ministry of Power, Govt. of India has targeted to electrify these 201 villages by September 2016. Accordingly, a month-wise schedule for electrification of these 201 villages has been prepared and furnished at **Annexure-I**

The enclosed schedule was also shared in the 14<sup>th</sup> Review, Planning and Monitoring (RPM) meeting held on 12<sup>th</sup> April 2016 at New Delhi and States were requested to confirm the same. Considering the available resources and local conditions, States have the option to re-schedule the target but not beyond Dec, 2016.

It is therefore, requested to confirm the monthwise target plan of electrification of Un-Electrified villages to REC by 26<sup>th</sup> April 2016. Further, please be informed that non receipt of confirmation from your end on the monthwise target by 26<sup>th</sup> April 2016 would be treated as acceptance of the enclosed schedule.

Yours faithfully,

Sd-

(Dr. Dinesh Arora, IAS)  
Executive Director (DDUGJY)

Enc: Monthwise target
