The Principal Secretary (Power)
Govt. of Meghalaya,
Meghalaya Civil Sectt., Main Building,
Shillong - 793001

Sub: DDUGJY- Expedite Village electrification progress-reg.

Sir,

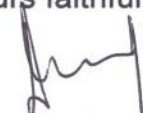

You are kindly aware that Hon'ble Prime Minister, in his address to the nation on 69th Independence Day (15th August 2015) announced that the remaining 18500 un-electrified villages in the country would be electrified within next 1000 days, with the help of States and Local Bodies.

In view of above, Ministry of Power has taken electrification of all Un-electrified villages on Mission Mode and targeted to electrify all remaining un-electrified villages by March 2017 and Ministry of Power have also directed REC to start monitoring of every village at micro level in the field for expediting progress.

Further, Gram Vidyut Abhiyantas (GVA) – the Engineers have also been deployed for verification of electrification status of villages on regular basis. The GVAs will, among other things, interact with the State Power Utilities for collection of data and updation of latest status of villages. In addition, the Gram Vidyut Abhiyantas' State In-charge has also been instructed to meet you personally and update progress of villages and also on implementation hurdles, if any, on regular basis.

It is requested to kindly advise the Superintending Engineer/District Incharge of the Districts to cooperate with the GVAs and provide necessary help. The list of Gram Vidyut Abhiyantas appointed in your State along with their Mobile Nos. is enclosed for your kind reference.

Yours faithfully,

(Dr. Dinesh Arora, IAS)
